If the place had.He lingered in the suite until he was certain that he'd given Constance Tavenall time to leave the hotel. In.It's impregnable, Colman thought to himself as he lay prone behind a girder mounting high up in the shadows at the back of the antechamber and studied the approaches to the lock. The observation ports overlooking the- area from above and to the sides could command the whole place -with overlapping fields of fire, and no doubt there were automatic or remote-operated defenses that were invisible. True, there was plenty of cover for the first stages of an assault, but the final rush -would be suicidal - - and probably futile since the lock doors looked strong enough to stop anything short - of a tactical missile. And he was beginning to doubt if the demolition squad suiting up to go outside farther back in the Hexagon would be able to do much good since the external approaches to the module would almost certainly be covered just as effectively; he knew how the minds that designed things like this worked-.He turns right on the dimly lighted dock and sprints to the end. Four concrete steps lead down to."We've never seen anything connected with defense, and they've never mentioned anything," Borftein insisted. "Let's stick to reality and the facts we know. Why complicate the issue with speculation? ". "Oh, I don't know... four, five, maybe. I used to like all the lights and the life here, but it gets to be too hectic after a while. Now I prefer the hills. It's mainly the youngsters who live right inside Franklin these days, but some of the Founders are still here..". "The ship's changed a lot since then though," Colman remarked. "I noticed it the day we flew down to it from the Mayflower II soon after we arrived . . . when Shirley and Ci met Tony Driscoll. The front end must be at least twice as big as it used to be..". Geneva was the only one to bring tears to the table, and she blew her nose noisily in a Kleenex. Of.Leilani didn't know, didn't care. Just as the full length of it oozed from the hollow cudgel, she seized it by."Absolutely. I don't have enough of it anymore..". "Girl, don't say such things!" Geneva admonished. "Someone will believe you. We were playing." "We've been having a serious discussion..". "So-o-o-o?". Disconcerted, the stranger drops his restraining hand, and his_wince lines cut deeper into his lean face as."The what?".The_

prednct outside was full of people wasting the evening while trying to figure out what to do with it, when Colman and Anita emerged from the Bowry and turned to follow the others, who were already some distance ahead. Anita stopped to fish for something in her pocketbook, and Colman slowed to a halt to wait. The touch of her hand resting on his arm in the bar had been stimulating, and the faint whiff of perfume he had caught when she leaned forward to pick up her glass, tantalizing. What the hell? he thought. She's not a kid. A guy needed a break now and again after twenty years of being cooped up in a spaceship; "I can talk around the pie, even if it isn't polite.
