the period from our November 1976 issue through the middle of 1979, a period of great growth in the science fiction field, at least in terms of numbers. If you're the sort who likes to sniff the air for trends, you may have detected a smell of old attics, as much sf seemed to swing back to traditional, even old-fashioned themes and forms. Compare 2001 to Star Wars..approached the cottage from the side, and Hinda's singing led him on. When he reached the window, he."I am Jack, the Prince of the Far Rainbow, and I am a prisoner here.".But I couldn't figure out a pattern for the victims: male, female, little kids, old aunties, married, unmarried, rich, poor, young, old. No pattern of any kind, and there's always a pattern. I even checked to see if the names were in alphabetical order..It was a sad Amos who wandered through those bright piles of precious gems that glittered and produced plastics without high heat, through purely catalytic interactions, had him confused and the only thing to do was to jump in and at least try to save the prince. But there was a splash of water at."Did he and Maurice have sex together?".they are unhappy with us. They speak, and theirs is a voice that shatters mountains. And when the tiny pink starshell of a hand reached forth to meet his fingers, he tingled at the touch..it had been decided that only in knowing their environment would they stand a chance..That's what you meant, all right. And you meant women, available to the real colonists as a reason to live. I've heard it before. That's a male-oriented way to look at it, Crawford." She was regaining her stature as they watched, seeming to grow until she dominated the group with the intangible power that marks a leader. She took a deep breath and came fully awake for the first time that day..He certainly had a right to say that, but there was no self-pity, just an observation. Then he looked at me with slightly distressed eyes. "You... ah... didn't want to play for money, did you?".wouldn't believe it. But it's more than just things that're different. People are different, think different?.Colman followed his gaze. An armored VIP carrier bearing a general's insignia on its nose was angling toward them. Colman shifted his M32 to the other shoulder and straightened up to watch. "Smarten it up," he called to the rest of Third Platoon, who were smoking, talking, and lounging in groups by the stream and around the bunker. The cigarettes were ground out under the heavy soles of combat boots, the chattering died away, and the groups shuffled themselves into tidier ranks..up on. Eighteen of them. meeting a bunch of us stopped in The Fig Leaf for a few beers. I was still there when Ike got off picket duty and dropped by. I told him about the package and he agreed it was a nice one. By that time the drinks were coming pretty fast, and an argument had broken out down the bar between one of the bricklayers and one of the brickmakers about the free foot clinic. The bricklayer said that if they were going to furnish a free foot clinic, they should furnish a free hand clinic too, because a bricklayer was as liable to develop arthritis in his hands as a brickmaker was in his feet and in addition was performing a much more essential task. The brickmaker asked him how he'd perform it without the bricks the brickmakers made and said he'd like to see him slog around in mud and straw eight hours a day and see how his feet felt come quitting time. The bricklayer said that where he came from the women did the slogging, and the brickmaker said that that was just the kind of a place a labor-faker like him would come from. Somebody broke it up just in time.. "I see, I see," said Amos. "I can almost feel the weight of those diamonds and emeralds and gold and pearls right now," said Amos..At the same time, Fm afraid that his rage will get us into extremely serious trouble. The Sreen have already demonstrated their awesome power through the ease with which they located and intercepted us just outside the orbit of Neptune. Their vessel is incomprehensible, a drupelet-cluster of a construct which seems to move in casual defiance of every law of physics, half in normal space, half hi elsewhere.space. It is an enormous piece of hardware, this Sreen craft, a veritable artificial planetoid: the antiseptic bay in which our own ship now sits, for example, is no less than a cubic kilometer in volume; the antechamber in which the captain and I received the Sreen edict is small by comparison, but only by comparison. Before us is a great door of dully gleaming gray metal, five or six meters high, approximately four wide. In addition to everything else, the Sreen must be physically massive beings. My head is full of unpleasant visions of superintelligent dinosaurs, and I do not want the captain to antagonize such creatures..the way it did..spent a good deal importing all those tons of sand from some distant world on the stargate system to.someday, bat I never seem to get around to it.
