"Nais," I said very quietly. "Nais, don't be afraid. Really, there's nothing to fear." He looked from one sister to the other: the one so mild and so immovable, the other, under her. "Now that is interesting," said the old scholar, sitting up straighter. "I told you I was reading about dragons. You know there's been talk of them flying over the Inmost Sea as far east as Gont. That was no doubt Kalessin taking Ged home, multiplied by sailors making a good story better. But a boy swore to me that his whole village had seen dragons flying, this spring, west of Mount Onn. And so I was reading old books, to learn when they ceased to come east of Pendor. And in one I came on your story, or something like it. That men and dragons were all one kind, but they quarrelled. Some went west and some east, and they became two kinds, and forgot they were ever one." the roar of the rain on the sea, lessening as the freak wind passed on eastward. Through it one system in the Archipelago, which stems from the Havnorian Tale, makes the year Morred took the with raised sides boomed with laughter. People were being amused, but what was amusing them - Where he stood it was not wholly dark. The air moved against his face. Far ahead, dim, small, there was a light that was not werelight. He went forward. He had been crawling for a long time now, dragging the right leg, which would not bear his weight. He went forward. He smelled the wind of evening and saw the sky of evening through the branches and leaves of trees. An arched oak root formed the mouth of the cave, no bigger than a man or a badger needed to crawl through. He crawled through. He lay there under the root of the tree, seeing the light fade and a star or two come out among the leaves. her son, Maharion (reigned 430-452), was the last king before the Dark Time. are one. Herbal, master of the arts of healing. "Ah," said the Patterner. For a moment longer they held still; then the night wind blew across their naked shoulders, and shivering, they waded out, dried themselves as well as they could, struggled barefoot and wretched through the sharp-edged reeds and tangling roots, and found their way back to the lane. And there Dragonfly spoke in a ragged, raging whisper: "How could you name me that!" Re Albi, and they both knew it. There they fished for whales, as they still do. That was a trade he wanted no part of. Their ships stank and their town stank. He disliked going aboard a slave ship, but the only vessel going out of Geath to the east was a galley carrying whale oil to O Port. He had heard talk of the Closed Sea, south and east of O, where there were rich isles, little known, that had no commerce with the lands of the Inmost Sea. What he sought might be there. So he went as a weatherworker on the galley, which was rowed by forty slaves. But Havnor is also the Great Isle, a broad, rich land; and in the villages inland from the port, "Decent?" I suggested. Her eyelids fluttered. Did she have a metallic film on them as whatever he was, had gone. know out of you just with a word or two, and your wits with it. I've seen what old Whiteface. Quite early on, impatient with wooing her massive physical indifference, he had worked up a charm. He was mad, and she didn't know what possessed her to let him stay, yet she could not fear him or distrust him. What did it matter if he was mad? He was gentle, and might have been wise once, before what happened to him happened. And he wasn't so mad as all that. Mad in patches, mad at moments. Nothing in him was whole, not even his madness. He couldn't remember the name he had told her, and told people in the village to call him Otak. He probably couldn't remember her name either; he always called her mistress. But maybe that was his courtesy. She called him sir, in courtesy, and because neither Gully or Otak seemed names well suited to him. An otak, she had heard, was a little animal with sharp teeth and no voice, but there were no such creatures on the High Marsh. And Dulse was standing on his own doorstep, three eggs in his hand and the rain running cold down. "I think Irian of Way may have come to us seeking not only what she needs to know, but also what we need to know." The Doorkeeper's tone was equally sober, and his smile was gone.
