He would have done it, too, and risked establishing a pattern that police might notice; but the still, small voice of Zedd guided him now, as so often before, and counseled calm, counseled focus. "Not so bad, two thousand," Tom heard himself say idiotically. "I mean, compared to nearly four million." He sprang to his feet, or maybe only staggered up, depending on whether his image of himself right now was pulp or real, and surveyed the scene, looking for the bandaged man. A few neighbors crossed the lawn toward Grace, and others approached along the street. But the killer was gone. From out of the fog and darkness came the slap of running feet on bricks. He was sprinting toward the back of the house. Celestina screamed-"Here! In here!"--as she slapped the magazine into the butt of the pistol. Although he found Magusson's face sufficiently disturbing that he avoided looking at it more than necessary, and though Magusson's bulging eyes were so moist with bitterness and with need that they inspired nightmares, Junior shifted his gaze from his half-numb hands to his attorney. "Luck? I lost my wife. And my unborn baby." From a cutlery drawer, Tom withdrew a knife. The largest and sharpest blade in the small collection. "64 just a little bit ago," the girl said. "I was sitting on the porch, having a Popsicle, and I just figured it out." A sudden strange weakness, a formless dread, dropped Agnes out of her crouch and onto her knees beside the boy. He used the kitchen phone, at the corner secretary. The blood had been cleaned up long ago, of course, and the minor damage from the ricocheting bullet had been repaired. Their struggle to put their sorrow into words moved Agnes not because they cared so deeply, but because in the end they were unable to express themselves adequately. Without the relief provided by expression, their anguish grew corrosive. Their lifelong introversion left them without the social skills to unburden themselves or to provide solace to others. Worse, their obsessions with death, in all its many means and mechanisms, had prepared them to expect Barty's cancer, which left them neither shocked nor capable of consolation, but merely resigned. Ultimately, in great frustration, each twin was reduced to fragmented sentences, crippled gestures, quiet tears--and Agnes became the only consoler. At the bottom, the killer had pushed the cedar chest aside and clambered to his feet. From out of his raveled Tutankhamen windings, he peered up at Paul and fired one shot without taking aim, almost halfheartedly, before disappearing into the living room. On October 15, Junior acquired a third Sklent painting: The Heart Is Home to Worms and Beetles, Ever Squirring, Ever Swarming, Version 3. "I thought so," Angel said, dubiosity squinching her face. "Mrs. Orwall made me cheese." Barty looked at Angel, and Angel looked at Barty, and they dropped to their knees on the grass before their daughter. They were both grinning ... and then their grins stiffened a little. Fortunately, he recognized his vulnerability. Until the evening reception for Celestina White, he must spend every hour of the day in calming activities, soothing himself in order to ensure that he would be cool and effective when the time came to act. PAUL DAMASCUS WAS walking the northern coast of California: Point Reyes Station to Tomales, to Bodega Bay, on to Stewarts Point, Gualala, and Mendocino. Some days he put in as little as ten miles, and other days he traveled more than thirty. If she'd connected with his left side, as she intended, she might have broken his arm or cracked a few ribs. But he saw the chair coming, and as agile as a base runner dodging a shortstop's tag, he turned away from her, taking the blow across his back. In the kitchen were a radio, a toaster, a coffeepot, two place settings of cheap flatware, a small mismatched collection of thrift-shop plates and bowls and mugs, and a freezer full of TV dinners and English muffins. On that busy night, with Vanadium's corpse in the Studebaker and Victoria's cadaver awaiting a fiery disposal at her house, Junior was too distracted to recognize the pertinence of the message. Now it tormented him from a dark nook in his subconscious. No weekend had ever passed so quickly, and no midnight had ever brought with it such dread. "I should," Tom agreed, "but the point is this. . ." With the finesse of a magician, he allowed the salt shaker to slip out of the concealment of his palm, and stood it beside the pepper. "This is also me." With everyone in the diner now aware of Junior, with every head turned toward him and with every wary eye tracking him, he dropped the bun cap and the mustard dispenser on the floor. Barging through the swinging gate at the end of the lunch counter, he entered the narrow work area behind it. Sitting at the desk, Celestina phoned her parents again. She shook uncontrollably, but her voice was steady. He stashed two suitcases full of clothes and toiletries--plus the contents of Pinchbeck's safe--deposit box in the van, and then added those precious items that he'd be loath to lose if the hit on Bartholomew went wrong, forcing him to leave his Russian Hill life and flee arrest. The works of Caesar Zedd. Sklent's three brilliant paintings. The needlepoint pillows, to which he'd colorfully applied the wisdom of Zedd, constituted the bulk of this collection of bare essentials: 102 pillows in numerous shapes and sizes, which he had completed in just thirteen months of feverish stitchery. Lord, listen to me--but I've really got to know if you can, if you are, how you feel, whether you feel, I mean, whether you think you could feel. Her hands shook as she counted out the fare and the tip from her wallet. "I'm scared sick. Maybe you should just take me right back home." He assumed that she hadn't phoned the police to make a formal report. No need to go out of her way to slander Junior when Thomas Vanadium had been prowling the hospital at all hours of the day and night, ready to lend an ear to any falsehood about him, as long as it made him appear to be a sleazeball and a wife killer. After a day of work, the pencil portrait of Nella Lombardi was finished. The second piece in the series--an extrapolation of her appearance at age sixty--was begun. He reached the end of the alleyway, stumbled into the stream of pedestrians, nearly knocked over an elderly Chinese man, turned, and discovered ... no Vanadium. "Tom," Kathleen said, "I know why you became a cop, I guess. St. Anselmo's Orphanage ... the murders of those children." Glass in the door next to Agnes cracked, dissolved. Pebbly blacktop like a dragon flank of glistening scales hissed past the broken window, inches from her face. If blood tests revealed that Junior wasn't the father, Vanadium would have a motive. It wouldn't be the right motive, because Junior truly hadn't known either that his wife was pregnant or that she was possibly screwing around with another man. But the detective would be able to sell it to a prosecutor, and the prosecutor would convince at least a few jurors. He opened his mouth but stood mute. Raised his right hand from his side. Worked his fingers in the air, as though the needed words could be strummed from the ether. He felt stupid, foolish. She sat on the end of the table, where Barty had sat, now at eye level with the standing physician. The detective gazed at the cash as longingly as a glutton might stare at a custard pie, as intensely as a satyr might ogle a naked blonde. "Impossible. Too damn much integrity in their system. You might as well ask me to go to Buckingham Palace and fetch you a pair of the queen's undies." Perplexed by their peculiar behavior, even slightly unnerved, Tom answered Maria's question. "I'm afraid there's nothing else I can do, nothing more of a fantastic nature." Embarrassment flushed her when she realized that the paramedic had cut away the pants of her jogging suit. She was naked from the waist down. Celestina stared curiously at Tom Vanadium. She had witnessed the effect of vanishment, though she hadn't actually seen the coin disappear in midair. Yet she seemed to sense either that

something more than sleight of hand had just transpired or that the trick had a meaning she'd missed.. "If he gets back within the next hour, better ring me at his place so I can scoot." Wednesday morning, January 10, he wired one and a half million dollars from the Gammoner account to Pinchbeck in Switzerland. Then he closed out the account in the Grand Cayman bank.. "Bet I could, and sell it, too," she said. "I might not be as good at it as I am at teeth, but I'd be better than some I've read." By "all of that," he meant the groceries that she and Joey often sent along with the pies, the occasional mortgage payment they made for someone down on his luck, and the other quiet philanthropies.. Her hands trembled as she attempted to fold her sister's clothes into the small suitcase. What should have been a simple task became a daunting challenge; the fabric seemed to come alive in her hands and slip through her fingers, resisting every attempt to organize it. When eventually she realized there was no reason to be neat, she tossed the garments into the bag without concern for wrinkling them.
